We may disclose nonpublic personal information about you to our staff, affiliates, representatives, their affiliated businesses, and third parties who provide you with financial products and services. Nonaffiliated third parties may include retirement plan sponsors or third-party administrators, mutual fund companies, insurance companies and agencies, other broker-dealers and clearing firms. NATIONS FINANCIAL GROUP, INC. BUSINESS CONTINUITY PLAN

Nations Financial Group, Inc. (NFGI) has developed a Business Continuity Plan detailing how we will respond to events that significantly disrupt our business. Since the timing and impact of disasters and disruptions is unpredictable, we will have to be flexible in responding to actual events as they occur. With that in mind, we are providing you with this information regarding our Business Continuity Plan.

The majority of the branch offices served by NFGI, where most of our clients interact with their representatives, are located out of the immediate area of the home office in Cedar Rapids, IA. In the event of a business disruption we urge you to first contact your local branch. It is possible if not probable that your local location would be unaffected by an event that would cause a disruption at our home office location and would be able to operate independently and transact business for you normally. If for some reason you are unable to contact your local branch please contact us directly here at the home office at (800) 351-2471.

Contacting Us – During a significant business disruption, we will re-establish telephone service with our clients as soon as possible. Our clients should check our website www.nationsfg.com for our latest information. As a client of NFGI we recognize you may need access to your account to sell a position or request a check before we re-establish telephone or other communication services with you. During this time, our clearing firm, First Clearing, LLC, will assist you with sell or liquidation orders and provide check disbursements, as required. If you cannot contact our firm by any means, please call First Clearing, LLC for assistance at 877-496-3223

Our Business Continuity Plan – We plan to quickly recover and resume business operations after a significant business disruption and respond by safeguarding our employees and property, making a financial and operational assessment, protecting the firm's books and records, and allowing our customers to transact business. In short, our business continuity plan is designed to permit our firm to resume operations as quickly as possible, given the scope and severity of the significant business disruption.

Our Business Continuity Plan addresses: data back up and recovery; all mission critical systems; financial and operational assessments; alternative communications with customers, employees, and regulators; alternate physical location of employees; critical supplier, contractor, bank and counter-party impact; regulatory reporting; and assuring our customers prompt access to their funds and securities if we are unable to continue our business.

Our clearing firm, First Clearing, LLC, regularly backs up its important information in a geographically separate area. While every emergency situation poses unique problems based on external factors, such as time of day and the severity of the disruption, First Clearing, LLC, has a thorough Business Continuation Plan in place. First Clearing has advised us that its objective is to restore its own operations in order to complete existing transactions and accept new transactions and payments in a timely manner.

Varying Disruptions – Significant business disruptions can vary in their scope, a single building, a business district, city or an entire region. Within each of these areas, the severity of the disruption can also vary from minimal to severe. In a disruption to only our firm or a building housing our firm, we will transfer our operations to a local site when needed and expect to recover and resume business within 4 hours. In a disruption affecting our business district, city, or region, we will transfer our operations to a site outside of the affected area, and recover and resume business within 1 business day. In either situation, we plan to continue in business, transfer operations to our clearing firm if necessary, and notify you through our web site, www.nationsfg.com, how to contact us. If the significant business disruption is so severe that it prevents us from remaining in business, we will assure our customer's prompt access to their funds and securities.

For more information – If you have questions about our Business Continuity Plan, you can contact us at (319)-393-9541 or (800)-351-2471 or e-mail us at compliance@nationsfg.com.

PROTECTING YOUR ASSETS

Securities and cash in client accounts have two sources of protection. First Clearing, LLC ("First Clearing") is a member of the Securities Investor Protection Corporation ("SIPC"). SIPC protects the clients of its member firms against the loss of their securities in the event of the member's insolvency and liquidation. Each client is insured up to a maximum of \$500,000 (including \$100,000 for claims for cash). For more information on SIPC coverage, please see the explanatory brochure at www.sipc.org or contact SIPC at (202) 371-8300. In addition, First Clearing maintains a program of additional protection. This additional insurance coverage is provided through London Underwriters (led by Lloyd's of London Syndicate) ("Lloyd's"). For clients who have received the full SIPC payout limit, First Clearing's policy with Lloyd's provides additional coverage above the SIPC limits for any missing securities and cash in client brokerage accounts up to a First Clearing aggregate limit of \$1 billion (including up to \$1.9 million for cash per client). SIPC and the additional protection do not insure the quality of investments or protect against losses from fluctuating market value.
